THEIR SATISFACTION

95% would recommend the Conference

The AIVP World Conference is remarkable in that it gathers ports and city representatives in the same place, providing an original and innovative forum to shape sustainable port cities.

Jason Giffen

Chief Sustainability & Innovation Officer
Port of San Diego

WHO ARE WE ?

Founded in 1988, the AIVP is an **international and non-profit organization committed to promoting dialogue and collaboration between cities and ports**. Our mission is to facilitate the exchange of knowledge, support innovative projects, and foster international cooperation to meet the challenges linked to the sustainable development of port cities.

Together, let's build a sustainable future for port cities!

LET'S MEET IN NEW YORK CITY IN 2025!

The AIVP and New York City Economic Development Corporation (NYCEDC) are excited to host the 20th AIVP World Conference in November 2025. Join the discussion on the future of port cities and come together around the 10 goals of the Agenda 2030 by AIVP.

With ambitious projects to transform its waterfront, New York City is at the center of AIVP topics. Join us and be inspired!

“The world's port cities face many common challenges from leveraging waterways to moving goods and people, to making our urban environments stronger and more resilient. We're thrilled to host the AIVP World Conference to advance innovation in port cities.

Andrew Kimball
President & CEO
NYCEDC

AIVP WORLD CONFERENCE 2025 Why becoming a sponsor?
